KnowRoaming now offers Unlimited Data in 100+ countries

- Unlimited Data now available in UAE, India, Oman, and more –**
- Limited time: Free Unlimited Data package with every purchase –**

TORONTO, Ontario — June 8, 2017 — KnowRoaming launches Unlimited Data roaming in 11 new countries, bringing the coverage total to 100+ countries. Now more travelers can roam easily and affordably with KnowRoaming's Unlimited Data package (\$7.99 USD per day) when they travel to India, the UAE, Oman, and 100 other destinations around the world with KnowRoaming's Global SIM Sticker, SIM Card, or Hotspot.

To celebrate this milestone, KnowRoaming is giving away a free 1-day Unlimited Data package with every new Global SIM Sticker and SIM Card purchase from knowroaming.com between June 8th, 2017 and June 15th, 2017.

"We're excited to deliver Unlimited Data in countries that our customers were eagerly asking for," said Gregory Gundelfinger, CEO of KnowRoaming.

New Unlimited Data countries:

- | | |
|-------------|--------------------------|
| 1. Bahrain | 7. Qatar |
| 2. India | 8. Saudi Arabia |
| 3. Kuwait | 9. Tunisia |
| 4. Lebanon | 10. United Arab Emirates |
| 5. Oman | 11. Uzbekistan |
| 6. Pakistan | |

Both the KnowRoaming Global SIM Sticker and SIM Card connect travelers to local networks in 200+ countries and territories to access voice and data rates up to 85% lower than carrier rates. Customers use the free companion app to monitor their usage in real time, prepay for their services, purchase Unlimited Data packages, and more.

Business teams using the KnowRoaming Global Hotspot to connect their devices will also enjoy access to Unlimited Data packages in these new countries.

This is the latest offering from KnowRoaming that caters to different types of smartphone users, following the launch of free, unlimited WhatsApp data usage. Whether they're navigating their way around a new destination, documenting their entire journey on social media, or just sending a quick message to family back home, KnowRoaming offers flexible options that put the traveler in control of their roaming costs.
