“It’s the busiest and most expensive time of the year to travel and we’re bringing travelers more options to stay connected at affordable prices. For Europe-bound travelers, you can enjoy 1 GB for a week for only \$10—that’s cheaper than the coffee and croissant you’ll pay for at a cafe to use their WiFi,” said Gregory Gundelfinger, CEO of KnowRoaming.

The Global SIM Sticker and Global SIM Card make it both affordable and effortless for business and leisure travelers to stay in touch on the go. Through the KnowRoaming app, customers can manage their usage on their account in real time and only pay for the data they need—no hidden fees. With competitive voice and data rates in 200+ countries, travelers can connect via messaging, voice, video calling, and take advantage of bonus WhatsApp with every top up.
